Attorney Docket No.: Q79258

Applicant encloses herewith a copy of a Communication from a foreign patent office in a counterpart application citing such documents (Office Action issued November 10, 2008 in Japanese Application No. 2004-365606).

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following explanations: English-language abstracts and machine translations are being submitted for JP 11-335767 and JP 2003-053468, which constitute a concise statement of relevance for these documents.

WO 01/77398 and JP 2000-265232 are also cited in the Japanese Office Action. These documents were cited in an Information Disclosure Statement filed June 15, 2006. Thus, copies are not being submitted at this time.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
